

Dear Friends:

This is your invitation to join the **Friends of Hakalau Jodo Mission**. For more than a hundred years this special place has served our families, friends and neighbors as a year-round gathering place for inspiration, celebration and community events where everyone is welcome.

As always, the aging Temple buildings and grounds require continuous maintenance and repairs with fewer and fewer active members, volunteers and donors to share the burden of support.

Today, we are asking for your kokua in joining the Friends of Hakalau Jodo Mission with a pledge of annual support. All gifts are tax deductible and all "Friends" will enjoy receiving the Mission Newsletter by email with regular announcements of special events, memorial services, improvement projects and the articles from Reverend Miyazaki.

Thank you for your support.

Jan Nakamura
Kyodan (Board of Directors) President
